SARP Race Information Package 2011

Dear Paddler:

In keeping with our mission statement, SARP strives to foster a healthy, happy lifestyle and build a stronger community through promoting and developing paddling and rowing activities. While our annual Dragon Boat Festival is a small gathering of paddling teams, we try to provide an atmosphere of camaraderie and a positive spirit of competition as a beginning to the Dragon Boat Racing season for participating teams. We hope to see old and meet new friends this year as we again host our Dragon Boat Festival in Salmon Arm June 25, 2011.
